Professional Experience

Freshie Farm — Head of Operations | Aug 2025 – Present

- Optimized processing and packaging operations, improving operational efficiency by ~30%.
- Developed and implemented SOPs, maintenance schedules, and process documentation for production lines.
- Led CAPEX feasibility studies, vendor evaluation, and procurement for new machinery and utility systems.
- Oversaw utility systems including boiler, DM/RO water, compressed air, and ETP operations.
- Coordinated cross-functional teams to ensure smooth project execution, quality compliance, and cost control.

10 Minute School — Assistant Manager, Operations | Jun 2024 – Jul 2025

- Managed 5 cross-functional teams, standardized operational processes, and improved reporting via dashboards.
- Built analytics and KPI tracking systems to optimize campaign efficiency and learner experience.
- Partnered with Tech and Marketing teams to streamline workflows, achieving significant operational improvements.

Agroshift Technologies — Sourcing & Distribution Lead | Nov 2022 – Jan 2024

- Designed and managed supply chain processes across 24 factories and 3 hubs, reducing pilferage by 63%.
- Built and scaled internal IMS using Google Sheets, AppSheet, Apps Script, and SQL for process visibility.
- Implemented demand forecasting, inventory management, and procurement SOPs for multiple locations.

Nitto — Co-Founder & COO | Jun 2020 – Oct 2022

- Managed end-to-end B2B/B2C supply chain operations, including logistics, procurement, and demand planning.
 - Developed automated invoicing and reporting tools using Python to improve operational efficiency.
 - Established client onboarding processes, standard SOPs, and workflow documentation.
-

Education

KUET — B.Sc., Electrical & Electronic Engineering | 2019

Skills

- **Project & Operations Management:** CAPEX planning, vendor evaluation, process optimization, SOPs, maintenance schedules
- **Process & Packaging Systems:** Mixers, filling machines, end-of-line systems, soap/food processing
- **Utility Systems:** Boiler, DM/RO water, compressed air, ETP operations

- **Automation & Tools:** PLC, SCADA, HMI knowledge; Python, SQL, AppSheet
- **Analytics & BI:** Google Sheets, Power BI, Looker Studio
- **Soft Skills:** Analytical, proactive, collaborative, effective communicator
